

Team Meeting

Meeting Time: 6:20 PM – 7:00 PM
25 January 2018
Engineering Building

Attended meeting:

- Saood Alazmi
- Ahmad Almuhanha
- Conor Rich
- Michael Torres
- Lucas Veteto
- David Trevas
- Amy Swartz

Discussion:

The team discussed upcoming milestones for the project and the team was informed that the flight simulator has been deleted from the school computer. The cost and plans of travel were discussed, and the team was considering contacting ASNAU for potential funding for travel expenses.

Next week expectations:

Lucas: Work on CAD drawings and finalize the wing design.

Conor: To determine the correct profiles of each rib. Talk to people in the C & C shop to determine if the parts can be manufactured.

Ahmad: Determine the landing control.

Saood: Finalize battery and motor that will be used for the final design.

Michael: Determine finite element analysis of the wings, if possible. Analyze the final design required by the SAE Aero competition.
