## The Act of Listening

As we move through the rest of the month, we will start a new assignment on cultural understanding. This project will include talking with each other, and writing a cultural essay. But wait, you're not starting that one yet - how about next week. Before I provide you with that assignment, I would like you to listen to this podcast on "The Act of Listening." You should have picked up by now that this assignment will lead to a quiz... so please listen and come to class prepared.
