

EE486 Peer Evaluation

Repeating

General Information

- *Due Date:* March 1, 2018; April 5, 2018; May 10, 2018
- *Grading:* Grading will be done at an individual level.

After each major milestone, you'll have the opportunity to provide feedback to your professor about how your team is working together. Use this same assignment for each deadline listed above.

The Assignment

Using the template provided (PeerEvalTemplate.xlsx), add all your team members' names, listed in last name alphabetical order. Assign points to each member of the team, reflective of their effort. Include yourself in this assessment. For each member of your team, you have 100 points to divide up. For example, a four person team will have a total of 400 points to assign across the members.

Deliverables

- Submit the peer eval, reflective of your assessment of each team members' contributions for each major milestone.
- Submit via BBLearn.
