

EE486 Schedule Presentation

Room Assignments

With 22 projects this year, we need to split up the class into two rooms for schedule presentations. Your professor and GTAs will be grading your presentation as you present, including the individual aspects. Your group score will be shared to the group via email, Slack, or BBLearn. Same with your individual scores, though these will be shared privately.

Time	Group 1 - du Bois Aspen A Ashwija	Group 2 - du Bois Aspen C Han	Group 3 - BIO 256 Arnau and Demetria
2:25-2:37	Audio Noise Cancelation	Zero Net Energy Home	Go Baby Go Wild Thing!
