

EE486 UGrads

RUBRIC

UGrads will be broken into two parts. First, an oral presentation. Second, a poster presentation. This rubric outlines how each will be graded by your professor and GTAs.

Oral Presentation:

Poor	Below Average	Above Average	Exceptional
Introduction			
Describes why this project was pursued and completed			
Describes who the client is and why it matters to the client			
Describes what was done			
Describes how this was done			
Describes the end product			
Conclusion			
Group was professionally dressed			
Group acted professionally, including vernacular			
Spoke to the audience at a technical level appropriate for the audience			

Poster Presentation:

Poor	Below Average	Above Average	Exceptional
Introduction
